What is ClubGRANTS?

ClubGRANTS is a community grants program funded by local clubs and administered by Cumberland City Council. The scheme enables registered clubs with gaming machine profits over \$1 million to apply for a tax rebate (of 1.85%). The tax rebate is used to provide grants to not-for-profit community organisations for community projects. The Scheme is guided by the *Gaming Machine Tax Act 2001*.

What can I apply for?

The Cumberland ClubGRANTS Scheme aims to support local projects and services that assist people within the Cumberland Local Government Area (LGA). Funded projects must be in the areas of Community Welfare and Social Services, Community Development, Community Health Services and Employment Assistance Activities.

Who can apply?

Schools, local Government and non-profit community based, incorporated organisations with an Australian Business Number (ABN) can apply. Organisations without an ABN must be sponsored by an incorporated organisation.

How to apply?

The Guidelines and application form will be available for download when the round opens on 1 April 2021. Applications need to be submitted through the application forms on the ClubGRANTS Online website through ClubsNSW. Completed applications must be received by 4pm Friday 30 April 2021.
