

**DR DIANE COLMAN** Member for 28 years. Occupation: Academic  
Diane is part of the course leadership team at Western Sydney University where she provides expert advice on governance, strategy, risk management, financial discipline and digital innovation.

Diane previously ran her own publishing company, Saltwater Press. Prior to this, she held national policy and program directorships in the Department of Social Security.

If elected as a director, Diane would use her considerable experience in strategic planning, management of multi-million-dollar budgets and legislative compliance to ensure Wenty Leagues retains its position as one of the top clubs in NSW and continues to be the venue of choice for members and our community.

**DAVID MUMFORD** Member for 27 years. Occupation: Sales and Marketing Director

Positions held: Director, Audit and Risk Committee, Sponsorship Committee, Men's Bowls Vice President, Men's Bowls Committee

I am privileged to be a current member of the Wenty Leagues Board and hope to continue to provide a meaningful contribution to the ongoing success of our club and greater community.

I am the Sales & Marketing Director of RBK Nutraceuticals which is a Therapeutic Goods Administration licensed health supplement manufacturing facility that exports to 15 countries and employs over 45 staff.

I am an active member of the business community, currently being an elected State Councillor of the NSW Business Chamber (Business Australia) and a member of the Business Environment and Economics Policy Committee.

**JODY MANSON** Member for 20 years Occupation: Medical Education and Meetings Manager

Positions held: Wenty Leagues Netball Club President (2013 – current), Wenty Leagues Netball Club Secretary (2006 – 2012), Monty Bennett Parks Trust Committee

My membership over the last 20 years has had me have an active interest in the Club's current and future affairs. Wenty Leagues Club promotes the values of membership and community which I also promote through my involvement in Wenty Leagues Netball Club.

My career has had me gain significant experience in Event Management, Product Launch and Education. With the experience I have gained through my involvement in the Netball Club and my working career it will be valuable in promoting the ongoing strategies of the Leagues Club Board.
